Genex Cabling Products
Genuine Service · Quality Products · Professional Results

Genex Cabling Products is a major supplier of wire, cable, tubing and harnessing products. Our primary goal is to supply our customers with quality wire and cable products at competitive prices. Our extensive product offering includes audio, coax, computer, control, instrumentation, thermocouple, high temperature, and plenum cables. In addition, Genex offers a variety of tubing and harness wire management products. We regularly stock hundreds of SKU's in our centrally located warehouse near Chicago where product is shipped within 24 hours after receipt of order.

Equally important is our desire to service you the customer beyond your expectations. In addition to our fast turnaround time, we specialize in cut-to-length orders from our extensive inventory to meet your specific requirements. We are committed to helping you fulfill all your wire, cable and tubing needs including hard-to-locate specialty items. With over 120 years of combined industry experience, our professional sales team knows how important your bottom line is.

Service Centers and Sales Staff

Mullica Hill, New Jersey

Michael Johnson

I live in southern NJ with my wife Judy and have 2 children. I particularly enjoy golfing and music. I have been in the wire industry for over 35 years. I've worked with the people at GENEX before and appreciate their knowledge and professionalism. I look forward to being a part of the Genex Team.

Andy Beebe

I live in southern NJ with my wife Dee and 3 children. We love to vacation in Mexico as often as we can. I've enjoyed the many relationships with customers and others over my 23 years in the wire & cable industry. I look forward to working with all of you at GENEX.

Santa Fe Springs, California

Craig Ledgerwood

Debbie and I have been married for 28 years we have 2 children and live in southern CA. I enjoy sports & boating. My entire professional life of 32 years has been in the wire & cable industry. I have carried all the lessons learned of customer service with me and will be continuing them at GENEX.

Laura Mata

I am married and live in southern CA with 2 beautiful children who love to go to Disneyland. We also enjoy Camping. I have been in the wire & cable industry for 14 years. Customer satisfaction is my number one job. I appreciate working with the knowledgeable sales teams at GENEX.

www.genexcabling.com

At the Genex Cabling Products website customers can access the entire product line with easy to use navigation pathways. Users can enter a Genex or other major competitor part number which will automatically cross reference to the appropriate Genex part number. The website also offers an excellent product search section that includes product specification sheets, color code charts and major competitor cross references that can be downloaded directly from our website.

Our comprehensive website lets you select the exact cable products to match your application. Cross references to major catalog houses allows you to take advantage of lower cost alternatives with quality products priced to be effective in today's marketplace.

Call us today with your Wire, Cable or Tubing needs. Once again, if you look at your business from the bottom line up.....Genex can help.
